

# Stewing Chickens...available October 21st!

We will be taking orders for Stewing Chickens for the next 4 weeks for home delivery on Friday, October 21st.

### What...

Stewing chickens (also known as retired laying hens) are different from the broiler chickens that many of you have purchased from us in the past. They are leaner, with less white meat, and need to be cooked for a longer time to be tender. These hens might have some battle scars to show for their busy lives out on our pastures, but you will find that the meat is rich and flavorful when cooked long and slow.

They are excellent for stews, soups, taco meat, and casseroles, and especially good for recipes such as coq au vin. They will weigh approximately 3 pounds each and the cost will be \$8.50 per bird which includes processing, plus a delivery charge of \$3 per order if we deliver them to your house.

### When and How...

As the delivery day approaches, we'll give you about an hour window for the delivery time on Friday the 21st. If you can't be there during that time, you can leave a cooler out for us to leave the chicken. Or, if you'd prefer, you can pick up the stewers at our place on Saturday Oct 22<sup>nd</sup> as we'll be having our annual work party on that day. (Don't forget to bring a cooler!) All you have to do now is tell us how many you want and if you prefer home delivery on the 21st<sup>st</sup> or to come out to the farm on the 22<sup>nd</sup>. We'll email or call you to confirm your approximate delivery time.

Please call or email us with your order, or drop this card in the mail. Orders are on a first come, first served basis. And as always, if you have any questions, please feel free to ask us!
